## **Kelly Dairy LLC**

Got pep? Kelly Dairy LLC does! The Kelly family and their business partners support The Maple Run Half Marathon and 5K as sponsors and volunteers. Staffing the famed water station #1 while donning pirate gear in homage to the Bucc Wild Run Club, Mary Kelly has kept runners hydrated and taken action pics of participants, including her spouse Allen Kelly, on the half marathon route and at the finish line. Jacki Kelly has been tech support for organizing pictures and a steadfast yearly Maple Runner. With the same excitement and generosity, the Kelly's and their farm partners care for a flock of cows that produce milk for the Dairy Farmers Association cooperative.

Visit Kelly Dairy LLC on Facebook to get a glimpse of a day at the farm.
